	<u>HOW DO I SCHEDULE A INSPECTION?</u>	

To schedule an inspection:

Simply telephone **508-378-7170** or **800-636-7170** (local) and speak with Susan or me. If we are away from the office, just leave a message on the answering machine and we will call you back.

Appointments are usually available six days a week, and I can usually accommodate your needs with 24-48 hours notice. Yes, weekend appointments are available.

When you call, please have all of the listing data describing the home and its address handy, and we will provide an estimated cost for the home inspection.

If you simply want a quotation, then please fill out the "Quotation Form" on my home page and I will respond to your email within the day.
